

2025 HIGHER SCHOOL CERTIFICATE EXAM TIMETABLE

Thursday 16 October to Friday 7 November

Important information about your written exam timetable

This document provides important information about your written HSC exams. NESA has already distributed details about oral exams for languages, performance exams and submitted works to schools. Find out more at: nsw.gov.au/education-and-training/nesa/key-dates/hsc

Your personal exam timetable

Your personal exam timetable is available from studentsonline.nesa.nsw.edu.au. This timetable lists your written exams and where you will sit for them (usually at your school). It also lists any other exams you are entered for, including oral exams for languages, performance exams and submitted works. Details of your performance exams or projects such as title of work or category (supplied by your school) are also available via *Students Online*. If you are undertaking oral or performance exams, we will post the time and venue on *Students Online* later this year. If there are errors or omissions in the exams you are entered for, contact your school immediately to supply us with the correct information. Take special care if you are entered for a VET course that has an HSC exam. If the exam does not appear on your personal timetable, you have not been entered for it. You must be entered separately for the exam if you expect to sit for it.

Preparing for your exams

When preparing for your exams, find out what to expect in the exam room and the exam paper, including where to write your answers. For each course you are studying, know the rules and requirements, and what to expect in each exam. More information can be found at: nsw.gov.au/education-and-training/nesa/hsc/student-guide/preparing-for-exams

Information about the HSC exams

Make sure you have read and understand the *2025 Higher School Certificate Rules and Procedures* guide. You should have received a guide from your school and can also access it at: nsw.gov.au/education-and-training/nesa/hsc/rules-and-procedures/2025-guide

There are serious consequences for:

- cheating in an exam
- disobeying NESA's rules for exam conduct
- not making a serious attempt across a range of questions in each exam.

Any of these offences may result in reduced marks, course cancellation or loss of your HSC.

The exam starting time in the timetable is when reading time begins. Arrive at your exam venue well before the time specified. Further information about your HSC exams is available on *Students Online*.

Disability provisions

If you have a disability that affects reading exam questions or responding to them under exam conditions, your school can submit an application for provisions to help you. If you have not already done so, speak to your school if you think this applies to you.

Exam equipment list

It is expected that you come prepared to the exam room with the required approved equipment in working order:

All equipment you bring is subject to inspection on entry. Make sure any equipment you are allowed to bring, such as a calculator, is in good working order because an appeal under misadventure provisions for equipment failure will not be upheld.
