

## CAPERS 2017 NOMINATION

Dear Parents/Guardian,

CAPERS is up and running with Dancers and Featured Vocal Artists well into their rehearsals. The time has come to organise the musicians, the choir and back stage crew.

The CAPERS Combined Concert Band will be performing before the main performance as pre-show entertainment. Inclusion in the Band will be through a nomination process. Students learning instruments, but not yet in the band may also nominate. It is a fantastic experience to play in a large ensemble with students from around the region.

The CAPERS Combined Choir students will also be selected through a nomination process. All students interested in being a member of the 2017 CAPERS Combined Choir may nominate. The larger the Choir is, the greater the impact it will make in the performances. Rehearsals for the THS CAPERS Choir students will be held Thursday Lunchtime in HMUS2. CD's and Music will be available from Monday, Week 9 from the CAPA staffroom in C Block.

Students who are interested in participating in backstage work (props, setting stage etc.) are also to nominate as there are limited availability for this role. Be aware this role is highly contested across all schools.

All Stage 5 & 6, as well as Year 7 & 8 GaTS Music students are expected to participate in CAPERS in either the Concert Band, Combined Choir or Backstage.

Please return the following nomination form by Friday 8<sup>th</sup> September to Mrs Sullivan (CAPA Staffroom – C Block).

I \_\_\_\_\_ wish to nominate my child \_\_\_\_\_ for the following areas of participation for CAPERS 2017:
